

## St. Luke's United Methodist Church Graveyard and Cemetery Burial Site Catalog and Database

St. Luke's United Methodist Church (UMC) maintains a catalog and database of graveyard and cemetery burials and grave sites including historical markers. The purpose is to preserve memory and history of those interred here.

Entries within the database/catalog are listed alphabetically by last name, first name, and then middle initial.

### ***Special Requests***

The master database is hosted in Microsoft Excel™. It can be used by its administrator to select, search, sort, print, merge, and/or export records in a variety of formats, groupings, and sort order.

If you have

- Need or interest in a special data content or export format including printed
- Need or interest in a photograph of one or more grave markers
- Knowledge to correct or enhance information
- Knowledge of an issue with a cemetery marker
- Need to place or update a marker
- Questions about St Luke's history or historical markers

Then please contact the **Graveyard/Cemetery Database Administrator** using channels in **Contact Information** section.
